

## **Remarks**

### **The Specification**

The specification has been amended to insert sequence identifiers to the sequences on page 11, line 28 (sequence MGWCT-K) and line 34 (sequence WCT-K). Further, the sequence identifier for the sequence on page 42, line 8 has been changed to SEQ ID NO.: 41. The amendments to the specification does not introduce any new matter.

### **The Sequence Listing**

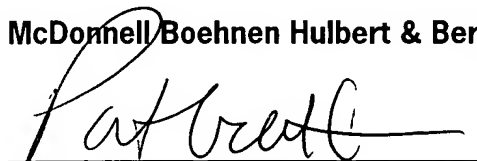

The Sequence Listing has been amended to comply with the requirements of 37 C.F.R. §§1.821 to 1.825. The computer readable form in compact disc of the Sequence Listing contains a single ASCII file named 04-585SeqListingST25.txt. The Sequence Listing was created using Patentln 3.3 and checked with Checker 4.3.1. No errors were found.

In compliance with 37 C.F.R. §1.825(a), Applicants submit that the information contained in the written and computer readable form of the substitute Sequence Listing is the same. Support for the amendments to the Sequence Listing can be found throughout the specification. The substitute Sequence Listing conatins no new matter.

Prompt consideration and entry of the amendments and response is respectfully requested. Should the Examiner believe that a discussion of this matter would be helpful, the Examiner is invited to telephone the undersigned at (312) 913-0001.

Respectfully submitted,
